DISCOUNTS

The School offers a multi-child discount of 5 - 10 - 15% for second, third and fourth children respectively to those families who choose it. We encourage those who are able to pay full tuition for each child. There is a 5% discount available for prepayment of full tuition prior to July 1.

Discounts do not apply to families receiving tuition adjustment. Requests for tuition adjustment are available to families with children in grades 1-8 or children over 5 years of age and are 1st grade ready for the following school year. Requests are forwarded to our Tuition Adjustment Committee after students have been accepted into their classes by their teachers. Please call the office to request an application for tuition adjustment if needed.
