

Guide to Giving

How to support WSRF
& an education that
prepares every
individual student for
life.

A Fully Engaged Community

At WSRF, we are committed to inspiring a strong culture of philanthropy and community engagement.

These are essential elements in supporting high quality, independent education and the healthy growth of our school.

Our strength stems from our community including our dedicated faculty and staff, our shared belief in Waldorf Education and curriculum, and the commitment of our families.

The outpouring of support from parents, alumni, parents of alumni, grandparents, and friends enables WSRF to fulfill our mission and expand our vision for the future.

Four Ways to Give:

1. The Annual Fund
2. Spring Fundraising
3. Planned Giving
4. Endowment

All donations to WSRF are eligible for the Colorado

Child Care Contribution Tax Credit (CCCC), giving a generous 50% of the contributed amount back to the donor.

2. Spring Fundraising Effort

Each Spring, WSRF hosts a festive giving opportunity in celebration of our incredible community. Opportunities to participate include a silent auction & a Spring Gala event that brings our community together in celebration!

1. WSRF Annual Fund

WSRF's most important fundraising initiative is our Annual Fund. The Annual Fund provides essential resources for our annual operating budget that includes retaining and hiring excellent faculty and staff, excellent and diverse program offerings, maintaining a beautiful campus and more!

Each gift is important and greatly appreciated. Our goal is to have 100% of our families contribute to the Annual Fund. All of our faculty and staff give to the Annual Fund, as do many grandparents, alumni, alumni parents and friends of school!

Invest in an education that turns learning upside down to be joy-filled, creative & connected.

3. Planned Giving

A planned gift is a gift that is planned now and realized at a future date. As the recipient, WSRF can receive the gift during the donor's lifetime or after the donor has passed away.

Most planned gifts are made as part of a person's overall financial planning. Donors work with their financial advisors for financial and estate planning. WSRF is able to receive planned gifts and will use them to accomplish our mission of preparing students for life. Typical planned gifts include: stocks, bequests, retirement assets, personal property, real estate and estate remainder.

4. WSRF Endowment

WSRF is taking the next step to secure our future by embarking on an endowment campaign entitled, Imagine Inspire Ignite our Future. WSRF has accomplished a great deal; now it is time for us to move to a new level of excellence. We have remained strong over the past 30 years, and have shown focus and dedication to our mission, have increased amounts raised throughout our annual fund campaigns, and have demonstrated financial stability year in and year out.

The endowment will provide the long-term stable revenue source necessary to fund strategic initiatives that support the head, hands, and heart of the school. Funds contributed to the Endowment give the school administration and trustees the flexibility and confidence to grow, innovate, and respond to strategic developments.
